

ABOUT ACCA

Association of Chartered Certified Accountants (ACCA) is a global body for professional accountants. Founded in 1904, ACCA has consistently held unique core values: opportunity, diversity, innovation, integrity and accountability. These values are aligned to the needs of employers in all sectors and ACCA ensures that, through their qualifications, they offer business-relevant, first-choice qualifications to people of application, ability and ambition around the world who seek a rewarding career in accountancy, finance and management. We champion the needs of small and medium sized business (SMEs) and emerging economies, and promote the value of sustainable business.

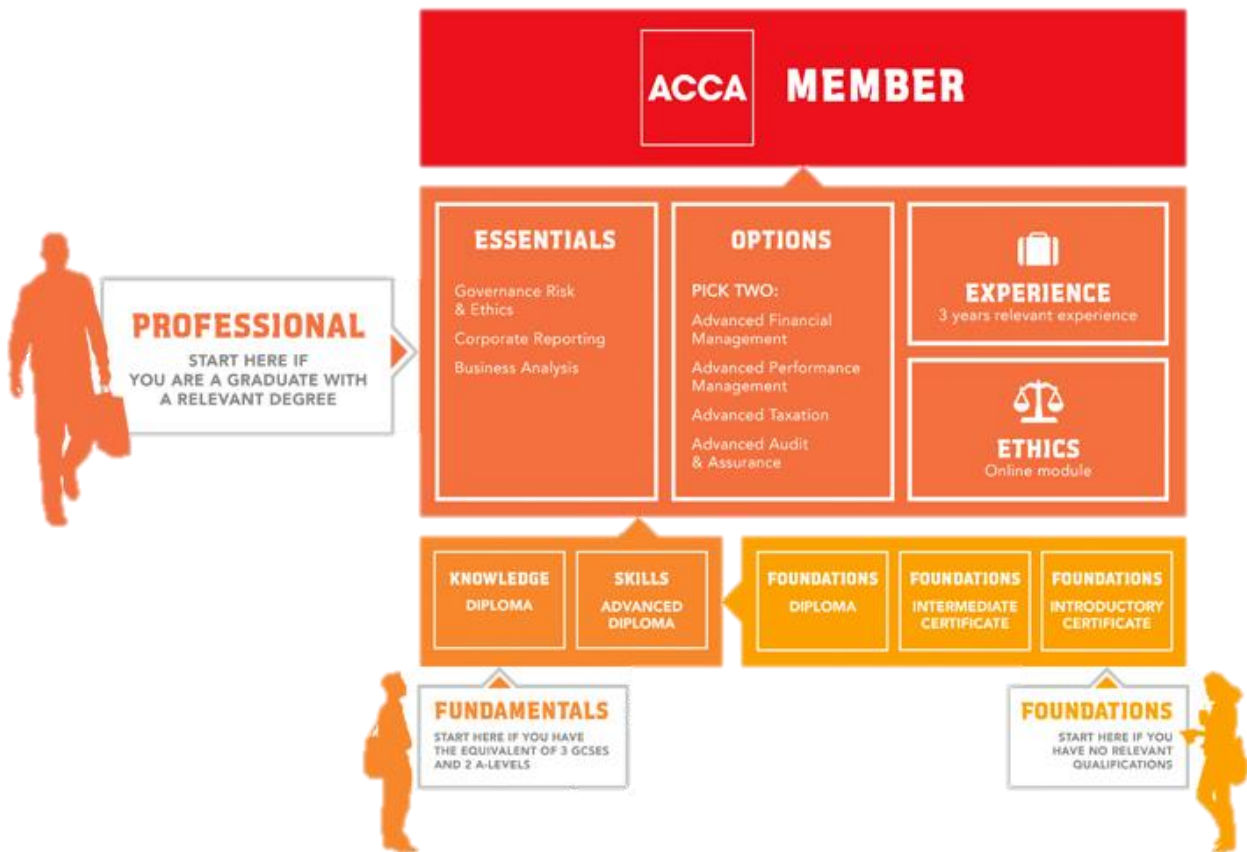

ACCA works global bodies such as the International Federation of Accountants (IFAC) and with more than 80 global accountancy partnerships. It supports 188,000 members and 480,000 students in 178 countries, helping them to develop successful careers in accounting and business, with the skills required by employers. ACCA works through a network of 100 offices and centers and more than 7,110 Approved Employers worldwide, who provide high standards of employee learning and development.

Employers seek ACCA members to lead their business as they are strategic thinkers with high ethical integrity, strong financial know-how and the right business acumen. To become an ACCA member, you have an exciting journey ahead. In order to complete the ACCA Qualification and qualify as an ACCA member, you will need to complete:

- **14 exams (exemptions are awarded based on qualifications held)**
