

## STAND OUT FROM THE REST AND BECOME A MANAGEMENT ACCOUNTANT

The Chartered Institute of Management Accountants (CIMA) is the world's largest and leading professional body of management accountants. Through our partnership with the American Institute of Certified Public Accountants (AICPA) we support and give voice to 150,000 Chartered Global Management Accountants (CGMAs) across the globe.

By studying CIMA, you will develop the critical knowledge and skills that employers are looking for and be ready to work in any business – large or small, public or private, all around the world. Our industry-leading assessments and regularly updated qualifications ensure you've got the winning edge in the job market.

### Why should I study management accounting?

1. Management accounting combines accounting, finance and management with the business skills and techniques you'll need to add real value to any organisation.
2. Management accountants are qualified to work across the business, not just in finance, advising managers on the financial impacts of big decisions, formulating business strategy and monitoring risk - much more than just crunching numbers.

Formulating  
Business Strategy

Monitoring  
Financial Risk

Facilitating  
Business Decision

Adding  
Business Value

Combining Accounting  
and Management

## Difference between Financial Accounting vs. Management Accounting

### Am I eligible to study CIMA?

1. Anyone can study the CIMA qualification, whether they're new to finance and business or an experienced professional. Ambitious school leavers, graduates and working professionals choose CIMA as the most relevant global qualification for a career in business.
2. Our flexible entry policy gives anyone with a passion for business the chance to study CIMA regardless of educational background. All you need is a good grasp of Maths and English.

## So where do I start with CIMA?

By becoming a CGMA with CIMA you will be joining the world's largest professional body of management accountants and become part of a truly global network of over 600,000 current and next generation finance professionals.
